

CEF

YOU BE THE
**SOLUTION
CHALLENGE™**
NATIONAL **STEM** COMPETITION

FUN!

FREE!

ABOUT THE CHALLENGE

Are you in grades 5-8 and ready for some serious fun?

In teams of 3-4 students you will participate in an in-person Regional Challenge, where you will tackle timed science questions that will test your brains!

But that's not all! While prepping for the challenge, teams will also create a video to launch their own start-up company. Your mission? Come up with creative solutions for sustainability challenges and help your community!

CHALLENGE TIMELINE

Registration Opens **October**

Regional Challenges from
January - March

Video Submission in **March**

State Winners & National
Finalists announced
beginning of **May**

National Challenge in **June**

*Gather your squad—friends
or classmates, and
take-on The Challenge!*

WHY JOIN THE CHALLENGE

LEARN & HAVE FUN

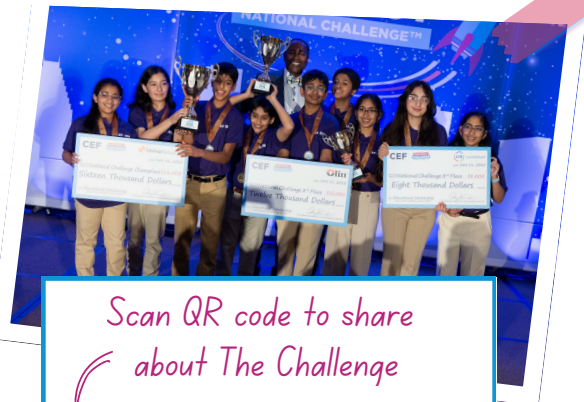

- 1 A fun and interactive way to learn about STEM and enhance your skills.

GROW YOUR SQUAD

- 2 A chance to connect with others who share your passion for science, fostering collaboration and friendship.

WIN PRIZES & SCHOLARSHIPS

- 3 Top performers can earn scholarships, awards, and recognition at the regional, state, and national levels!
